SCHOOL PSYCHOLOGIST FORUM

Greenbush has partnered with the Kansas Association of School Psychologists to provide a new virtual forum. This forum will be a space for practitioners, practicum students, and interns to come together and collaborate, share resources, ask questions, and learn from each other. We will discuss relevant-to-the-field topics, best practices, and real world (school) implications of service provision. Sessions are FREE for SLS consortium members and \$15 for non-members.

Sessions run from 8:00-9:00am unless otherwise specified.
